Dear Parents/ Guardians

Ref: Years 3 & 4 Learning week at Atherstone

We have had a brilliant week this week in year 3 and 4. The children have worked so hard and have been a pleasure to teach, I am extremely proud of them!

In English we have focused on letter writing. The children have written a letter to the new Year 3's who will be starting in September, explaining the reasons why they love Focus School Atherstone! These will be given out on the Year 3 Induction Day.

In Maths this week we have concentrated on data handling and have planned and conducted our own surveys on healthy foods. We then presented our data in a graph and evaluated it.

In Topic this week the children have worked tremendously hard in their groups researching traditional foods from around the world. Yesterday the classroom was transformed into a food festival, I couldn't believe all the work they had put into making their stalls appealing and inviting. We had a fabulous afternoon presenting our research on our chosen country and tasting foods from around the world.

I would like to say a massive thank you to all for your support with the food festival this week. All your hard work is very much appreciated by the children and myself. I cannot believe the amount of effort that went into the afternoon, the children enjoyed every minute of it!

Homework for this week:

- SPAG worksheet
- Maths worksheet

Kind Regards

Miss Hipkiss 😊
